

# 2011

## clean air action day results

137 participants  
made 686 Clean  
air choices on July 7, 2011

Participation in Clean Air Action Day increased this year, and there was an increase in actions like riding mass transit, biking or walking, and working from home.

In addition, the North Texas Clean Air Coalition hosted an Alternative Fuel Expo on July 7 in support of Air North Texas Clean Air Action Day efforts. More than

200 attendees heard a panel discussion from alternative fuel experts and had the opportunity to view and test drive alternative fuel vehicles on display.

2011 7.7.7.7 participation
